Life Outside Church

Life Outside Church

Step out of your church. Step out of your comfort zone. Step out of your holy cuddle.

Step out if you want your church to make a difference in your community. Be the Missional Church that touches lives, uplifts standards, transforms society.

Missional Church! Is this the latest commercial catchphrase to attract churches? “Missional Church” is a concept developed in the late ‘90s to denote the Church as God’s missionary people for everyone, anywhere and for all things.

In short, it means that EVERY CHRISTIAN IS A MISSIONARY!

Whether you are serving in a hostile faraway foreign land or on the more comfortable soil of your home surrounding, YOU ARE A MISSIONARY.

YOU are the Missional Church that is changing your community.

Come and learn more about the Missional Church – her role and purpose, and how Malaysian Christians may be nurtured and mobilised into every sphere of society to be agents of transformation in every aspect of human life.

He is pivotal to the recent task of re-aligning the priorities of the largest Pentecostal ministry training college in the UK to be completely missional, which includes introducing innovative training at both undergraduate and graduate level.

Paul completed his PhD degree on the subject of a missional rationale for theological education. His ministry has taken him on extensive travels to over fifty different nations and today, he continues to motivate leaders and churches to reach their full, missional potential.
