"I love children... I love orphans. I am a father to orphans. I go to streets... pick up my children. I will shake the nations through children. My children will pray, preach, prophesy, heal the sick, plant churches and bring end time message to the whole world."

Rev. Anton Cruz

About the Speaker

Rev. Anton Cruz is an evangelist-preacher from India. In 1987 he encountered awkward situation when 2 boys led him to an abandoned baby in a street. They asked him to care for the baby. On the way to church, the baby died in his arms. He could not sleep that night.

God answered his cry by saying, "You are a good preacher. You can preach to thousands of people, but can you love a baby?"

This is the event that the Lord used to change his life. The "Brotherhood Missions" thus started. It is supporting thousands of children of lepers, gypsies, handicapped, child labour, abandoned babies and tsunami affected children. They are called the Royal Kids-Intercessor-Praying Children. They are specifically trained to pray for nations and are based in Chennai.
