NAZARITE TRAINING OVERVIEW

WHAT THE NAZARITE TRAINING IS NOT:

1. A replacement of the discipleship program in church
2. A theological training
3. A healing and deliverance seminar
4. A self-help motivational seminar
5. A comprehensive leadership training... but,
 - It deals with character foundations necessary for leadership
 - It is a training you can't do without especially for future leaders
6. A training solely for full-time ministers but can be applied in all spheres of culture and marketplace

WHAT THE NAZARITE TRAINING IS:

1. An intensive lifestyle teaching focused on specific fundamental character values designed to provoke and cause personal transformation
2. A teaching on the practical application of discipleship principles
3. A spiritual leadership training series that enhances one's effectiveness in living for God
4. A wholistic character and worldview foundation-building
5. A training intended to prepare a person to be a CATALYST for revival and transformation in all areas of society
