Dear Pastors,

The Lord has strongly prompted us to organize yet another Impacting Pastors Impacting Nations (IPIN) PK Retreat to bless the Pastors' children this year. As such, we have decided to host the next PK Retreat at Vistana Kuala Lumpur from 10-12 December 2016.

We believe that God will move mightily upon your children to raise them up to fulfill their calling and destiny for this nation and the world as the Lord's coming draws near. These are crucial and challenging days when the enemy is attacking God's leaders and their families. The Lord has called us to stand with you in this perilous times to fight the good fight of faith and to advance His kingdom. We know that when the shepherd is smitten, the sheep will be scattered, and we have been called by the Lord to support and encourage you all in your vital ministry. This is why our coming retreat will be a pivotal turning point for many of your children who will take the spiritual status of this nation to the next level.

We hope you will respond positively and encourage your children to join this retreat. We want to thank all our sponsors who have made this retreat possible to minister to your children.

Love and blessings in Christ,
Pastor Roland and Evelyn Seow
Founding Pastors of FGA Melbourne

ABOUT THE RETREAT

After a hiatus of 4 years, IPIN's PK Retreat is back! We're going to have fun, be ministered to, encounter God's love and experience the abundance that the Lord has in store for us. **Registration is free**, and it's a public holiday, so what are you waiting for?

Our speakers this year are Dr Solomon Ong and Joseph Ong, brothers who minister together in Church on Higher Ground (CHG) Perth, Australia.

Dr Solomon, 37, is a psychiatrist, pianist, worship leader and songwriter who is passionate about bringing people into the presence of God. He has served in the worship ministry since the age of 12 and is currently the worship director in CHG (Church on Higher Ground) In Perth Western Australia. Solomon grew up being known as a "Pastor's Kid", but it was at the age of 19 that he encountered Christ personally and decided to follow God singularly. He's married to his beautiful wife, Ing, and together they are raising their three energetic children aged 2, 6 and 9.

Joseph, 28, is a husband, dad, Management Consultant and worship leader/preacher. He is obsessed with real Christianity and breaking people free from false religion. Joe works full time in the corporate world and is excited to see God's presence manifest outside the 4 walls of church. He is a complete nerd, often found building his own gaming PCs as a kid, thankfully he is more excited about Basketball than games. Together with his wife Caris they serve in CHG on the worship team together and are raising their son Elijah.
