Gabe Ahn, son of Pastor Che Ahn, began a relationship with Jesus at age 3 and has never looked back. He has been in church ministry for over 15 years and now has the honor of following in His father's footsteps, ministering to youth around the world. Gabe is also the young adult's pastor at his church, HRock, as well as the director of ProJECT Light, an annual Art/Entertainment Conference hosted by HRC. Graduating from Azusa Pacific University with a degree in Communication/Theater, Gabe has gone on to study at the reputable Howard Fine Acting Studio. He has over 12 films to his credit and has starred in such stage hits as *Cash on Delivery* and Shakespeare's, *A Midsummer Night's Dream*. Gabe is also training to be a film producer, director and writer. He has a burning desire for young people to experience true identity through their Heavenly Father so that they too can step into their God-given destinies.

Life as a PK - Pastor's or Preacher's Kid - can be very tough. You are often expected to dress holy, talk holy, act holy and set on a pedestal. Dad just mentioned on the pulpit that you like McDonalds and after the service, 100 people taunt you about it. Unwanted limelight, constant public scrutiny and high expectations are some of the challenges PKs around the world encounter.

Well, God knows your struggles and He wants to bless you with His extravagant love. If you are a PK or MK (Missionary Kid), you are specially invited to a Pastors' Kids free holiday from 7-9 Dec., 2010 at the Swiss Garden Resort, Kuantan. It's completely free because HE has paid it all! We have great door prizes, freebies, fun, food and most of all, dynamic and stimulating speakers from the US, Australia and Malaysia!!
