

"The most underutilised source of spiritual power in our churches today is intercession for Christian leaders."

Our leaders need our support and cooperation. The greatest support we can give is to pray for them continually that they remain in His will. Being in the front line, leaders become the target of the enemy who seeks to discourage and hinder them from leading effectively. We need to cover them and their families in prayer.

*"Now we ask you, brothers, to respect those who work hard among you, who are over you in the Lord and who admonish you. Hold them in the highest regard in love because of their work."
(1 Thess 5:12-13)*
